 5 Come on in Find your-self a seat Take off your coat Place your or-der as you
 9 Lis-ten to the band Same time each week Sip your drink Join the fa-mil-iar fa-ces
 13 Swa-ying to the mu sic_ Re-cog-nize that tune It's one I'm sure you know This is the
 16 bar where I be-long My home a - way from home My com-for - ta - ble space
 Where I'm with the folks I know I hope you like the show

Come on in
 Find yourself a seat
 Take off your coat
 Place your order as you
 Listen to the band
 Same time each week
 Sip your drink
 Join the familiar faces
 Swaying to the music
 Recognize that tune
 It's one you've heard before

Look around
 As the set begins
 I know each face
 There's Her Honor at the
 Corner of the bar
 Nursing her gin
 By her side
 My friend the Army major
 Tapping on the table
 That's his favorite tune
 We play it every time

Pay your tab
 Hear our final song
 Take one last sip
 Watch your step as you go
 Out into the night
 I'll say so long
 See you soon
 You're always welcome to
 Return another evening
 Share familiar tunes
 And spend some time with friends
