They said don't trust your heart and I believed it The
head is more re - li - a - ble and true The heart may pro - mise fun I did - n't need it
I sat and did the math And took the sa - fer path I knew the head would
al - ways see me through The heart says do - nuts The heart says go
The head says sa - lad The head says no I don't say a - ny - thing
Why take a chance You'll ne - ver break a leg If you don't dance
For - got to trust my head for just a mo - ment The
mo - ment that you stepped on - to the floor The heart said go a - head How could I
know it The lo - gic did - n't scan It was - n't in the plan But
