Detailed description: The image shows a musical score for the song 'Let's Wander'. It consists of two staves of music in a key signature of two flats (B-flat major or D-flat minor). The first staff starts at measure 43 and contains the melody for the first line of lyrics. The second staff starts at measure 47 and contains the melody for the second line of lyrics. Chord symbols are written above the notes. The lyrics are: 'Don't need to stay out late\_ Let's Wan-der Make sure to cross on the green Let's Wan-der It sure beats sta-ning at screens'. The word 'sta-ning' appears to be a typo for 'staring'.

Who knows what's looking good  
 Beyond our neighborhood  
 Let's Wander  
 No destination or goal  
 Let's Wander  
 Let's set out on a stroll

Past forts from long ago  
 Through alleys we don't know  
 Let's Wander  
 Finding a path in the shade  
 Let's Wander  
 It's an afternoon parade

We may hear from the sparrows above in a tree  
 Or a student whose trumpet is slightly off key  
 As she practices playing  
 A familiar song

We may stumble upon some unusual art  
 Or a cat hiding out in a grocery cart  
 There's no end of surprises  
 As we wander along

One stop before we're done  
 To watch the setting sun  
 Let's Wander  
 No other place I would be  
 Let's Wander  
 Through the city, you, and me
